### Wonderful Learning

On Wednesday 5th October, a basketball coach from Hoopstars visited, and all classes had the opportunity to take part in a workshop. It was rewarding to see so many smiling faces with children joining in and learning dribbling, ball handling and shooting.

All pupils showed great resilience taking part in the sponsored run last Monday. Thank you to everyone who has sent in their sponsor money to date. We are looking forward to welcoming James Dasalou on Wednesday.

Year 1 — Swans visited Hemblington Church. They learnt about being a Christian and found out about the different parts of the church.

Year 2 — Robins have been making different shapes to create balances as part of their gymnastics work.

Year 3 — Kingfishers have been learning about rocks, fossils and soil in science this half term. This week, they worked in groups to showcase the learning they have done.

Year 6 — Eagles worked on their Outdoor and Adventurous Activity skills. They worked together with a partner to navigate the school grounds. They used a map to locate cards which were spread around the outdoor areas. The cards spelt a word which they had to work out: resilience.

# Friends Newsletter

## Friends of Hemblington Newsletter 2022-2023

We wanted to introduce ourselves and share some of the fantastic news that came from our AGM last week.

**Last year we raised a phenomenal £24,985.11!!!**

This allowed us to install the new trim trail – done and dusted in 1 year! We originally set a 3 year target for this, so everyone – children, parents, carers, teachers – should be so proud of this achievement!!!

On top of this we were also able to fund many beneficial activities and gifts for the children, including the Y6 Leaver's trip and a big contribution to their much-loved hoodies – giving them the send-off they deserved.

Unbelievably we still have money in the bank and are making plans to install a new stand-alone piece of play equipment for KS2.

Many of the regular events will continue for this year, such as discos, dress down days, tuck shop, trails, Christmas Cracker and Summer BBQ. If you have any ideas for other events, please do let us know.

**\*\*\* This year we would like to form some 'teams' of parents who would like to help at certain events \*\*\***
