Greetings

We hope you had a pleasant weekend with your families. This week we continue our 'responsibility' theme in assemblies and have started the week enjoying the story of 'The Good Egg'

Bikeability Change of Date

We apologise for the inconvenience but due to Instructor Illness the Year 5/6 Bikeability course starting today has been rescheduled for the Week starting on the 15th of July 2024. All those involved will be reminded nearer the time.

4 Bs - For the Year!

This year everyone in the school will be working on developing themselves to be '**the best they can be**'.

To help, the whole school has been talking and giving examples of how we can:

- be resilient,
- be responsible,
- be respectful and
- be ready.

Attendance

A new school year means new school routines.

Good attendance at school is one of the most important factors in ensuring children have the best opportunities in life. Being in school gives children the greatest chance to learn, make friends and get the most out of their education. If your child's attendance begins to slip this can have a negative affect on their learning friendships and wellbeing.

If you are worried about your child's attendance, you can speak to your child's class teacher or contact Mr Howard via the school office.

Did You Know?

One full school year at 90% attendance is the equivalent of 4 weeks of learning missed!

Over 5 years of school, this adds up to half a school year missed.

This is known as persistent absence.

Blue Peter

Blue Peter are running a book club this year for children aged 5-11, with the chance to earn a Blue Peter badge. If you would like to know more visit:

Be The Best You Can

Be responsible, Be respectful, Be resilient and Be ready

FANTASTIC LEARNING

As we are newly back to the term all the children have been involved in understanding the expectations of their classes, their class rules and creating their class identity for the year.

Swan class have created this fantastic textured display to understand how they are individuals within the class. Celebrating their individuality and role as part of a wider group.

Our Robin class have made an aspiration tree thinking about all they want to achieve by the end of Year 2. They wrote their aspirations on leaves.

Kingfisher class have used their writing and research knowledge to create fact files on Kingfishers. They have developed a great interest in this colourful little bird that can fly at speeds of up to 25mph (a fascinating fact shared by the Year 3s).
