

Eagle Class Curriculum News Summer 1 2024

Welcome Back. I hope that you all had a brilliant Easter holiday.

The following explains what your child will be learning this half term; I hope that you find it useful to support your child.

Thank you for supporting your child with their CGP homework and any Easter revision. All pages will continue to be marked in class on Mondays, so please remind your child to bring in their books. If there are any problems with pages or questions, please encourage your child to come and see me or Mrs Cargill.

We are on the home stretch now to SATs week. I am very impressed and proud of every child in Eagle Class for their effort and dedication towards their learning. Please continue to support and encourage your child.

English

Our English will be based around Floodland by Marcus Sedgewick. We will focus on persuasive writing and writing in the role of a character. We will continue to use semicolons and colons. We will focus on writing for an audience, persuasive techniques and consolidating previously taught areas of grammar and punctuation.

Reading continues to be a big focus for us and I am still pleased with how the children are ready with their books everyday. Results from last term show fantastic progress. Please continue to support at home: they're not too old to be read to and with!

Maths

Throughout this half term, we will cover statistics, shape and geometry.

Science

Our science topic this half term is healthy living.

History

This half term we will study World War 2.

PSHE

We follow the SCARF scheme and the theme for this term is Being my Best.

Computing

We will be covering 3D modelling by using Tinkercad, which is a web-based 3D modelling application.

RE

Our next RE unit looks back at Islam and asks the learning question, Does belief in Akhirah (life after death) help Muslims lead better lives?

Music

This half term the class will be exploring 'Songs from World War 2'.

PE

Our PE days for this half term continue on Wednesday and Fridays. We will be looking at athletics and cricket.

DT / Art

The class will be continuing to make their model playground before moving onto art and using watercolours.

MFL: French

Eagles will be looking at eating out and shopping, food and money.
