

Hemblington Geography Long-Term Plan

	Year 1	Year 2	Year 3	Year 4	Year 5	Year 6
Autumn	Where do I live? Why is Norfolk special?	What is different and the same about the places people live? Blofield Heath/Norwich	How does the structure of the Earth shape its surface? Study of mountains, volcanoes and earthquakes	What effect do rivers have on the landscape and people?	What are the similarities and differences between the UK and Greece?	How did transport help to drive the Industrial Revolution during the Victorian period?
Spring	How are the four nations of the United Kingdom different?	How is Kenya different from the UK?	How does our food get from its source to our plate? Local farming study	Why is the climate and the time different in different parts of the world? Water, weather and climate change	What drives migration and what is its impact?	How sustainable is my community?
Summer	How can I use a map? Geographical skills and fieldwork	What are the physical features of the countries that make up the UK?	How do the human and physical features of Europe and North America compare?	What are the impacts of globalisation across the world?	How can we save our biomes? Are all biomes equally fragile?	What are grid references and lines of longitude and latitude? Geography skills and fieldwork
