

Kestrels Newsletter

Summer 1

Welcome back!

We hope you all had a restful half term! Kestrels have shown great resilience in coming back to school after having 2 weeks off!

This half term...

In literacy this half term we will be learning about the book 'The Viewer' by Shaun Tan. It is a mysterious picture book and will provide our stimulus for our writing topic.

In maths, we are looking at statistics, shape, position & direction and negative numbers.

In science, we are looking at life cycles and how they differ from mammals to insects!

Our history this half term extends from our previous unit about the monarchy and into life in the Victorian era. We are particularly looking at what it was like to be a Victorian child.

In art, we are looking at pop art and using the work of Romeo Britterro as a source of inspiration.

In PE, we will be learning yoga and basketball.

In PSHE, we are learning about ways we can be our best, including keeping healthy!
