Chair of Trustees	Chris Snudden	chair@bhetrust.co.uk

Promoting Safeguarding At Hemblington Primary School

At Hemblington Primary School we are committed to safeguarding and promoting the welfare of children. We do this by keeping up to date with local and national issues and continuous professional development, which feeds into the work we do with children and families. Schools have a statutory duty to provide a curriculum that is broadly based, balanced, meets the needs of all pupils and;

- Promotes the personal, moral, spiritual, cultural, mental and physical development of the pupils at the school
- Prepares pupils at the school for the opportunities, responsibilities and experiences of later life
- Promotes British Values throughout all aspects of the curriculum
- PSHE is clearly defined in the overall provision and as a discrete subject
- The school follows statutory requirements in Relationships Sex Education

At Hemblington Primary School these curriculum drivers are central to our school vision and ethos. These help to drive and shape our whole curriculum and underpin the learning and experiences we undertake in all aspects of school life. These key drivers are personal to our school

and are tailored towards our children's individual needs.

Hemblington Primary School

Curriculum Drivers

At Hemblington Primary School, these curriculum drivers are central to our school vision and ethos. They help to drive and shape our whole curriculum and underpin the learning and experiences we offer across all aspects of school life so we can be the best we can. These key drivers are central to our school and are tailored towards our children's individual needs.

SOCIETY READY

At Hemblington we aim to help our children to use the knowledge and skills they have gained to help improve their own lives whilst making a positive contribution to the world in which they live. We teach our children to take care of their environment, to be inclusive and to respect the differences and diversity in all cultures.

HIGH ASPIRATIONS

At Hemblington we want all our children to aspire towards greatness. We aspire for our children to be the best that they can be and to challenge their achievement in many ways. We encourage our children to take pride in themselves, to produce work of a high quality and to strive to achieve their full potential.

EMOTIONAL RESILIENCE

At Hemblington Primary School our pupils will have the emotional and physical security to become resilient individuals, who are able to overcome and face challenging barriers. They will develop a growth mindset, persevere, develop independence and learn to accept feedback positively whilst becoming kind, reflective and compassionate citizens being able to work collaboratively with others.

COMMUNICATION & ORACY

We aim for our children to develop the necessary skills to communicate their ideas, thoughts and feelings. We want our children to be able to speak and listen with respect in various situations. As our children read well and widely this broadens their minds, ignites their imagination and develops a rich vocabulary that can be used to engage others through discussion, debate and written thought.

BE CURIOUS AND DEVELOP A LOVE FOR LEARNING

We inspire and sustain a love of learning for all our pupils. Our curriculum engages and enthuses our pupils on their learning journey. Our teachers encourage our children to be inquisitive, enquire and ask questions through their learning and school life experiences.

EXPERIENCES AND OPPORTUNITIES

We create fun, memorable and purposeful experiences that enable our children to extend their learning to the real world. Providing our children with rich, diverse and cultural experiences broadens their horizons and shows them the widest possibilities available to them.

Below you will find examples of specific safeguarding areas and how we teach children to recognise and manage risks and also know how to ask for help.

<p><u>Diversity and Creating global citizens</u> *Children learn about a variety of religions/cultural celebrations * SCARF unit on Valuing Difference in each year group * Assemblies and awareness raising events around the protected characteristics * Our school values of tolerance, respect, compassion and being ethical are driven through our school curriculum and ethos * Black History Month is celebrated * We have ensured that all curriculum areas have a balance of texts and people studies based on race, gender, sexuality and those with disabilities</p>	<p><u>Online safety</u> *All year groups participate in national internet safety day. *Taught through computing curriculum (see computing progression map) *Use of NOS materials for e safety lessons *PSHE – Me and My Relationships and Keeping Safe units in Scarf *Online safety user agreements signed by parents * Newsletter segments /letters sent home in response to concerns or issues raised * Any Online Behaviours reported on CPOMS *All homework set on Google Classroom with expectations clear about being part of this online community. * NOS guides sent to parents termly</p> <p><u>Bullying inc. cyber bullying</u> *Anti-bullying Week for all year groups in November * Online safety curriculum – PSHE and computing. * Celebrating difference and safe relationships units of the PSHE curriculum. *Active play at lunchtimes. *Safer internet day and online safety units in PSHE and the computing curriculum.</p>	<p><u>Mental Health</u> *Nurturing ethos at Hemblington with use of Restorative approaches to behaviour (often called Reflection) *Dedicated spaces for nurture: The Nest and Teddy Bear’s House *Mental Health Week is celebrated in February across the school * DHT SLT Mental Health Training * SCARF PSHE program in all year groups covers emotional literacy *Share and spread positive messages through Values Assemblies *Dog therapy (Maggie) * Visits from Kooth in Year 6 to discuss Mental Health during transition</p>	<p><u>Radicalisation and Extremism</u> *Teaching of the fundamental British values throughout the curriculum .* Children learn about their universal rights (United Nations Convention on the Rights of the Child) *Democratically elected school councillors, Eco Councilors, Librarians and Sports Captains *PSHE Unit- “Valuing Difference” across the school</p>
