

Complete 15 of these home learning activities this half term to receive a postcard home!

Activities in red are essential and <u>must</u> be completed in order to receive a postcard.

Read a book about mountains, volcanoes or earthquakes (recorded in reading record).	Create 10 of your own column addition questions and answer them.	Science: Research and make an information poster or model about the muscles in the human body.	Geography: Design your own quiz about earthquakes and test it on an adult.
Read a library book (recorded in reading record).	Practise your 3 times tables by learning this song <u>https://www.youtube.com/watch?v=</u> <u>9XzfQUXqiYY</u> .	DT: Design your own cross stitch pattern (We are not expecting you to actually make your design, but please do if you would like to!). *	PE: Spend time perfecting your yoga poses to improve your balance, flexibility and strength.
Read a book by an author you're not already familiar with (recorded in reading record).	Create 10 of your own column subtraction questions and answer them.	Computing: Make a flipbook animation.	PSHE: Make a family tree for your family, as far back as you can find. Think about: why might other people's family trees be different?
Read to your pet. If you haven't got a pet, read to a cuddly toy animal (recorded in reading record).	Complete 5 Garage sessions on TTRS.	English: Write a story about a volcanic eruption.	Christmas/English: Watch the Polar Express.
Read a Christmas book (recorded in reading record).	Complete the multiplication mosaic given to you by one of your teachers.	RE: Go on a walk to look at Christmas lights in your local area. Are Christmas lights a religious or non-religious tradition?	Christmas: Make a Christmas decoration to give to someone else.

*Please wait until this has been covered in our DT lessons.
