-Well-being ambassador badges will be ordered so that representatives are distinguishable and children can identify who to talk to.

-Discussed reasons for wanting to be a well being representative.

-We shared our 'big ideas'.

-Evie and Arlie- to help with having happy playtimes - Buddy bench - go and sit there if you need help/someone to talk to (either a representative or teacher on duty)

-Harrison - Worry box, for outside, for playtimes, so that any disagreements or upsets can remain outside and not be brought into the classroom to affect the learning.

-Scarlett - Older children leading activities at lunchtimes, as play leaders, for example rugby or netball skills

We arranged to meet again in December.
